- Older pets, dogs over 35kg weight, overweight pets, pets that are unwell, pregnant females and males with abnormal testicles may be more expensive to neuter. The vet or nurse can advise you about any extra costs.

- Some animals may require blood tests before anaesthetic, fluid infusions, extra surgery or medications. These will cost more.

WORMING - DOGS & CATS - worm at least 4 times a year.

Get your wormer from the vet to be sure that it's up-to-date, safe and effective. Many others on general sale we stopped using 25 years ago!

How much to worm your pet? (single dose)

Puppy/small dog	0-5kg bodyweight	£5.21
Adult dog	5-25kg bodyweight	£6.50
	25-50kg bodyweight	£13.00 (2 tablets)
Kitten/small cat	0-2kg bodyweight	£5.20
Cat wormer	2-8kg bodyweight	£5.96

"Spot-On" wormers are available for cats that are difficult to give tablets to. We will have the weight of your pet on record so will be able to prescribe the correct tablet for your pet's size when you phone.
